

Accessories

Pumpfix S, Universale Plus, The Universal, Practicus and volatile liquid traps

Extension sections

with centre flange	<p>Compatibility: For backwater pumping station <i>Pumpfix S</i></p> <p>Additional function: For installation in waterproof concrete</p> <p>Including sealing set: Counter flange in stainless steel, screwed, elastomer sealing sheet made of NK/SBR Ø 700 mm</p> <p>Extension: Max. 294 mm</p>			Art. no. 830 075
---------------------------	--	---	--	----------------------------

with flange and counter flange	<p>Compatibility: For backwater pumping station <i>Pumpfix S</i></p> <p>Additional function: For connection to an on-site sealing sheet</p> <p>Inclusive: Gasket</p> <p>Extension: Max. 147 mm (In case of deeper installation ensure maintenance capability!)</p>			Art. no. 830 073
---------------------------------------	--	---	--	----------------------------

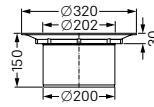

with flange	<p>Compatibility: For backwater pumping station <i>Pumpfix S</i></p> <p>Additional function: For deeper installation</p> <p>Inclusive: Gasket</p> <p>Extension: Max. 147 mm (In case of deeper installation ensure maintenance capability!)</p>			Art. no. 830 070
--------------------	---	---	--	----------------------------

with three lateral inlets	<p>Material: PP</p> <p>Inclusive: Lip seal and blind plug</p> <p>Height: 175 mm</p>			Art. no. 48 966
----------------------------------	--	---	--	---------------------------

without lateral inlet	<p>Compatibility: For basement drain <i>The Universal</i> and volatile liquid traps</p> <p>Material: PP</p> <p>Inclusive: Lip seal</p> <p>Height: 175 mm</p>			Art. no. 48 988
------------------------------	--	---	--	---------------------------

without lateral inlet	<p>Compatibility: For basement drain <i>Practicus</i></p> <p>Material: PP</p> <p>Inclusive: Lip seal</p>			Art. no. 48 987
------------------------------	---	---	--	---------------------------

Extension section

with pressure sealing flange and counter flange	<p>Inclusive: Waterproofing layer against ground moisture</p> <p>Height: 150 mm</p>			Art. no. 27 298
--	---	---	--	---------------------------

Waterproofing membrane	<p>Compatibility: Art. no. 27 298</p>		Art. no. 48 651
-------------------------------	--	---	---------------------------

2 component adhesive	<p>Compatibility: For gluing of KESSEL waterproofing membranes</p>		Art. no. 48 650
-----------------------------	---	---	---------------------------
